player is Camila Micijevic, one of the team's top scorers from the EHF EURO 2020. After her third ACL injury, she will miss the competition. Her absence will definitely be visible in their style of play, as the sharpshooter has often been unstoppable in crucial moments. However, Sostaric will use his expertise to help Croatia adjust. Larissa Kalaus is already well known and has been playing at a high level. Dejana Milosavljevic is an important part of Croatia's attack, but her participation is still doubtful due to a hand injury. Sostaric's biggest problem might be Croatia's attack

and their easy flow of play.

favourites in group A, Croatia can hope for wins against the two other opponents. Progressing to the main round would already be a great success for Croatia.
