

WOMEN'S PREMIER LEAGUE

Olympia's PHL Women's Team are one of the most successful women's handball teams in England, having been crowned British Champions three times in 2012/13, 2013/14 & 2016/2017. The team were runners-up in 2014/15, while in 2015/16 they won the English National Handball Cup - qualifying them for European competition in the Challenge Cup against Swiss team [LK Zug](#) in November 2016.

The Women's team were the first ever from the UK to participate in the European Handball Federation Cup in 2013, when they travelled to Iceland and participated in Round 2. They again featured in the competition in 2014, this time in Ukraine.

Olympia HC Women had their most successful season in 2013/14, securing three trophies; in addition to being crowned British Champions, they won the England National Handball Cup and Liverpool International Handball Tournament.

Currently, our PHL Women are the 2018/19 Premier Handball League Champions, after a season in which they lost 0 games throughout the season, as well as winning the Liverpool International Handball Tournament for the 3rd year in a row.

We have many talented women in our team, as evidenced by Olympia players being awarded Player of the Year by the England Handball Federation three consecutive years between 2013 and 2015.

Despite all of this, the success does not end here - we continue to go from strength to strength and look forward to starting the new season every summer.
